The Cheatham County School District has announced the valedictorians and salutatorians, representing the class of 2020.

Although the COVID-19 pandemic has delayed commencement plans nationwide, the district has said that it is committed to honoring its graduating seniors and would announce plans once finalized.

Here's who is representing the class of 2020:

### **Harpeth High School**

#### **Valedictorian Cadiz Cantwell**

While attending HHS, Cadiz Cantwell served as president of HOSA, National Honor Society and Student Council. She also participated in the Fellowship of Christian Athletes and Harpeth Unified, served as a Special Olympics Unified partner and played on the Lady Indians basketball team for three years.

Her top accomplishments at HHS were being a research intern for the Aspirnaut Summer Research Internship at Vanderbilt Medical Center for two summers and being a QuestBridge National College Match Finalist.

Cantwell's favorite high school memory was going whitewater rafting with 25 of her classmates.

She plans to attend Clemson University and intends on majoring in pre-med/international health and language.
